

Congratulations You've Got Goat!

Don't Despair...

This is a fundraiser by Food for His Children. A friend of yours paid us to place these life changing goats in your yard.

This herding is done in good spirits and is not meant to be mean. The goats will graze on your lawn until this evening when they will mysteriously get shepherded to another friend's (victim's) lawn.

If you would like to 'Give Goat, Pass it on' and specify the next victim, all we ask is a donation to our group.

Of course, the removal of these goats will be done at no charge, so please don't hurt our furry milk giving friends.

Again, thank you for your sense of humor and your support.
